Election-Season Greetings, League Members!

For your viewing pleasure, we have uploaded **videos of our recent Candidate Forums held in Chico**, as well as Charley Turner's **ballot measure "Pros & Cons" presentation** from our Fall Coffee! So, in case you missed any of these League events, or would like to re-visit some of what was shared in those highly-informative sessions, all you need to do is **visit our web link here: <http://www.lwvbuttecounty.org/news.html>**

And our **candidate forums continue throughout the County....** with what is sure to be a lively event in **Paradise this next Tuesday, Oct. 7th and in Durham on Oct. 15th....** If you can't make it to the Paradise Town Hall on Tuesday, rest assured that you can still **watch the happenings via their online LiveStreaming at: <https://new.livestream.com/townofparadise/LWVCandidatesForumParadise>**

We've also got a full calendar of **"Pros & Cons"** being presented to community organizations by our very capable Speaker's Bureau consisting of Jim Gregg, Carol Burr, Betsy Kruger, Mardi Worley, Chris Boyle, Margaret Swick, Claire Greene & Jane Wanderer.

The Pros & Cons which may most interest our members will be the **public Business and Professional Women luncheon on Oct. 18, from noon to 2 p.m.** at Country Waffles, 690 Rio Lindo Ave. where the pros and cons of the six, statewide initiatives on the November ballot will be discussed. Guests may purchase lunch from the menu. Reservations are requested, Trudy 865-5120 or email

A Healthier Butte County

The League is teaming up with local health care organizations to better address the issue of health care delivery in our area. To that end, a coalition is sponsoring a citizen survey, and we would love your input. **Please take a few minutes** to help us ascertain the most pressing health care issues of our citizens. Below is the background information and link to the survey which we hope to have completed by **October 17th.**

"Together We Can! Healthy Living in Butte County" is committed to understanding the health priorities and needs of Butte County residents. For this reason, we invite you to complete the following survey designed to help gain insight into issues that are affecting the health of our residents. Our community health survey is completely confidential. Together We Can! Healthy Living in Butte County will be accepting completed surveys until **October 17, 2014.** **[CLICK HERE TO TAKE OUR SURVEY.](#)**
